

Mela's Interlude

Johnny Rain

Do you think about me?
Do you dream about me?
Do you sleep without me?
Do you do what I do?
(Yeah)
You're so beautiful
I want you to know
I want you
I just can't stop thinking of you
Wanna kiss you wanna touch you, wanna hold you, wanna love you
That's it

When the game is played, we can change the pace
We can save the face, we can save us
Hey, Cause I done dealt with some bullshit, baby
It's part of my past, all them bitches crazy
You may be young but you ready, babe
Ready, baby

If you were mine forever
We could fly together
Stand under my umbrella
Gon' wish you were my Camila

X's and O's
Just a little som'in som'in special to heart
Man, I swear all of my exes are whores
See 'em when I'm downtown in my Lexus
Where are my manners
My CD and my cameras
We could do something freak, freaky off campus
Help me in here speak speakin all spanish
Te quiero amar
De mi corazon, let's forever amar
Y si te beso ahora me deja
Can I do that for a second, my God

You like that don't ya?
Bet you won't fight back won't ya
Mix it all up and excite that potion
I'll spread the waters and dive via ocean

Just lemme know when you ready
