Nightmares

Johnny Rain

Shadows sit across my room
I scream at you, you see it too.
I'm seeing you

That's right I'm seeing you. My demon boo
I see the truth, your lips move, don't know what you're saying.
I know the game, but don't know what you're playing.

Staring staring. Staring staring
Oh my God, oh my God, this is so scary, scary.

Now you're approaching me I'm looking in your eyes
And seeing what its supposed to be.
You're laying by my side and now you're getting close to me,
I think I'm paralyzed... that's when I realized

I'm sleeping with a monster in my bed.
She's creeping in the conscience of my head.
I'm sleeping with a monster in my bed.
I think we have a problem, am I dead? Ohh...
