

# All I Want For Christmas

Johnny Reid

I packed up all the boxes  
Put them on a shelf  
I don't know what the point is  
Of being by myself  
I try my best  
To hold back the tears  
But this time of year

All I want for Christmas  
Is for it all to go away  
Right now my only wish is  
For my heart to unbreak  
I'm holding on to memories

Of the way it used to be  
All I want for Christmas  
Is to have you here with me

I lock up all the doors  
And turn off all the lights  
I lie in bed awake  
In the silence of the night  
I close my eyes  
And try to believe  
But no one sees

All I want for Christmas  
Is for it all to go away  
Right now my only wish is  
For my heart to unbreak  
I'm holding on to memories  
Of the way it used to be  
All I want for Christmas  
Is to have you here with me

Cause it's not  
The same without you  
And without you  
I don't know what to do  
I've tried but it's no use

All I want for Christmas  
Is for it all to go away  
Right now my only wish is  
For my heart to unbreak
