

Christmas Time Again

Johnny Reid

C-H-R-I-S-T-M-A-S

The best time of year, is here my friends
Can you feel it in the air
A time of joy, a time to share

C-H-R-I-S-T-M-A-S

Gather round the tree, let the party begin
Dancin', laughin' everyone singin' along
It's Christmas time again

It's time to bring down the boxes from the attic
Check last years lights one by one
It's time to set old Santa right out there by the front door
Luggin' Rudolf out on the lawn

Time to hang the stockings on the mantel
Hang mistletoe over every-door
Hey hey
That's right it's Christmas time again

C-H-R-I-S-T-M-A-S

The best time of year, is here my friends
Can you feel it in the air
A time of joy, a time to share

C-H-R-I-S-T-M-A-S

Gather round the tree, let the party begin
Laughin', dancin' everyone singin' along
It's Christmas time again

It's time to call up and gather all the family
Raise a glass to our dearest friends
It's time to play all those old timeless songs
Play them over and over again
Time to tell the world's greatest story
Spread the word of peace o' love
Hey hey
That's right it's Christmas time again

C-H-R-I-S-T-M-A-S

The best time of year, is here my friends
Can you feel it in the air
A time of joy, a time to share

C-H-R-I-S-T-M-A-S

Gather round the tree, let the party begin
Laughin', dancing' everyone singin' along, oh, oh, oh, oh

C-H-R-I-S-T-M-A-S

The best time of year, is here my friends
Can you feel it in the air
A time of joy, a time to share

C-H-R-I-S-T-M-A-S

Gather round the tree, let the party begin
Laughin', dancing' everyone singin' along
It's Christmas, Christmas
