

# Heart Of A Woman

Johnny Reid

When the sky is falling down  
Not a friend to be found  
When there's shadows all around me  
When I'm losing hope, there's a place I go

Her arms are sanctuary  
Her touch can heal and save me  
The greatest gift God ever gave me  
Is wrapped up in the heart of a woman

She knows just what to say  
To put a smile on my face  
And every time her music plays  
She carries me away

Her arms are sanctuary  
Her touch can heal and save me  
The greatest gift God ever gave me  
Is wrapped up in the heart of a woman

Her arms are sanctuary  
Her touch can heal and save me  
The greatest gift God ever gave me  
Is wrapped up in the heart of a woman

As long as mine's still beating  
Her love's what I believe in  
And all I'm ever needing  
Wrapped up in the heart of a woman
