

My Kind Of Christmas

Johnny Reid

Take the mistletoe from the door
Leave the stockings on the floor
Come sit by the fire with me
Girl, I swear as sure as my heart beats
I believe in the magic
And with you I have it
Yeah

That's my kind of Christmas
A party for two
You wrapped up in me
And me wrapped up in you
Getting all crazy
Tangled in lights
Letting love be the gift
That keeps giving all night
That's my kind of Christmas
Ooh ooh ooh
Champagne and kisses
Ooh ooh ooh

Girl, you been on my Christmas list
Close your eyes, make a wish
I got you this from Santa Claus
Now turn around I'll help you slip it on

I believe in the magic
And with you I have it
Yeah

That's my kind of Christmas
A party for two
You wrapped up in me
And me wrapped up in you
Getting all crazy
Tangled in lights
Let love be the gift
That keeps giving all night
That's my kind of Christmas
Ooh ooh ooh
Champagne and kisses
Ooh ooh ooh
That's my kind of Christmas
Ooh ooh ooh
Champagne and kisses
Ooh ooh ooh

Put on your favourite song
Slow dance all night long
And do whatever you want to
We'll watch the snow outside
Whisper in candle light
Merry Christmas baby I love you
Ooh ooh ooh

That's my kind of Christmas
A party for two

You wrapped up in me
And me wrapped up in you
Getting all crazy
Tangled in lights
Let love be the gift
That keeps giving all night

That's my kind of Christmas
Ooh ooh ooh
Champagne and kisses
Ooh ooh ooh
That's my kind of Christmas
Ooh ooh ooh
Champagne and kisses
Ooh ooh ooh

That's my kind of Christmas
Ooh ooh ooh
Champagne and kisses
Ooh ooh ooh
That's my kind of Christmas
Ooh ooh ooh
Champagne and kisses
Ooh ooh ooh
