

Wish It Was

Johnny Reid

Made a promise to myself
Never fall again
I put up a defence
And I let nobody in
How can I forget
The way you left my heart
And how can I forget
When I'm reminded by a scar

And how do I erase a tear
That's falling on my page
Oh I don't know where we went wrong
But I know this ain't no love song
Yeah, I know this ain't no love song
But I wish it was

There's no one here to blame
So I guess it's up to me
To look the other way
Even though it's hard to see

And how do I erase a tear
That's falling on my page
Oh I don't know where we went wrong
But I know this ain't no love song
Yeah, I know this ain't no love song
But I wish it was

Oooh, yeah
And how do I erase a tear
That's falling on my page
Oh I don't know where we went wrong
But I know this ain't no love song
Yeah, I know this ain't no love song
But I wish it was
Yeah I wish it was
