

# Beat Of My Heart

Johnny Rivers

Send down the key to open the door  
Of the room where I'm holding myself prisoner  
I'm here inside with pictures of her  
And the last message with her voice on my machine

Send down the peace that can take away the fear  
I'm frozen only by the thought of losing her  
How perfect she'll reject me only in the name of love  
And leave me wanting as she pulls away

Each time I hear her voice, I remember  
Just how much she means to me  
I hear it over and over and over, just like the beat of my heart  
t  
Beat of my heart

Send down the love that can only heal the pain  
I'm living like a monk in isolation  
Help me to accept all the things that I can't change  
I think I've had enough, and I surrender

Each time I hear her voice, I remember  
Just how much she means to me  
I hear it over and over and over, just like the beat of my heart  
t  
Beat of my heart

Just like the beat of my heart  
Just like the beat of my heart  
Just like the beat of my heart  
Beat of my heart
