

Catch The Wind

Johnny Rivers

In the chilly hours and minutes
Of uncertainty, I want to be
In the warm hold of your lovin' mind.

To feel you all around me
And to take your hand along the sand
Ah but I may as well try and catch the wind.

When sundown pales the sky
I want to hide a while behind your smile
And everywhere I'd look, your eyes I'd find.

For me to love you now
Would be the sweetest thing, 't would make me sing
Ah but I may as well try and catch the wind.

Diddy di dee dee diddy diddy
Diddy diddy diddy dee dee dee.

When rain has hung the leaves with tears
I want you near to kill my fears
To help me to leave all my blues behind.

Standin' in your heart
Is where I want to be and long to be
Ah but I may as well try and catch the wind.

Ah but I may as well try and catch the wind.
