Give It Up For Love

Johnny Rivers

Give it up, give it up, give up your heart, baby
Give it up, give it up, give up your heart, baby

You've been down and you've been confused
You've been led around and been abused
You've been runnin' for so long
Looks like you lost your way

You fooled around with plans and schemes
Only ended up with broken dreams
Another lost and lonely night was all you had
And you hurt so bad

You gotta give it up, give it up
Give up your heart, baby
You gotta give it up, give it up
Give up your heart, baby

You gotta give it up for love, give it up for love, give it up for love
Give it up for love
Give it up to love – give it up to love
Give it up to love

All the wasted time turns into years
And still you're runnin' from your fears
You're so afraid that life and love
Are gonna pass you by
There's a reason for the things you do
And there's a lovely girl inside of you
All it takes is love — but still you wonder

Oh baby dry your eyes
Give it up, give it up, give up your heart, baby
Give it up, give it up, give up your heart, baby
You gotta give it up for love, give it up for love, give it up for love
You gotta give it up for love, give it up for love, give it up for love

Do you ever wonder why the world
Is going crazy
Why people act so strange
Hear the distant thunder
Still a little hazy
Can't you see it's all gonna change

Give it up, give it up, give up your heart, baby
Give it up, give it up, give up your heart, baby
Give it up, give it up, give up your heart, baby
Come on now, give it up, give it up, give up your heart, baby
Give it up, give it up, give up your heart, baby
Give it up, give it up, give up your heart, baby
