

I've Got A Woman

Johnny Rivers

Oh, sometimes I feel a little lonely

Well, I got a woman way over town
She's good to me now, all right
I got a woman way cross town
She's good for me, oh yeah.

Oh, she gives me money when I'm in need
Yes, you know, she's a kind of friend indeed
I got a woman way over town
Oh, she's good for me now, alright.

She say she loves me early in the mornin'
Just for me, yes she do
She say she loves me early in the mornin'
Just for me, oh yeah.

She say she loves me, lordy, just for me
You know she loves me so tenderly
I got a woman way over town
Oh, she's good to me now, alright.

She's there to love me all day and night
She never grumbles or fusses, always treats me right
Never runnin' in the streets, leavin' me alone
She knows a woman's place
Is right back there with her hangin' 'round the home.

Got a woman way over town
Oh, she's good for me now, alright.
I got a woman way over town
She's good to me, can't you see?

Well, she's my baby, don't you understand
I'm her lovin' man?
I got a woman way over town
Oh, she's good to me now, alright.
