It's All Over Now

Johnny Rivers

Well, baby used to stay out all night long She made me cry, she done me wrong She hurt my eyes open, that's no lie Tables turn and now her turn to cry.

Because I used to love her but it's all over now Because I used to love her but it's all over now.

Well, she used to run around with every man in town She spent all my money, playing her high class game She put me out, it was a pity how I cried Tables turn and now her turn to cry.

Because I used to love her but it's all over now Because I used to love her but it's all over now.

Well, I used to walk in the morning, get my breakfast in bed When I'd gotten worried, she'd ease my aching head But now she's here and there, with every man in town Still trying to take me for that same old clown.

Because I used to love her but it's all over now Because I used to love her but it's all over now Because I used to love her but it's all over now, yeah.

Because I used to love her but it's all over now
