Standing on the mountain looking down on the city
The way I feel is a doggone pity.
Teardrops falling down a mountainside
Many times I've been here
Many times I've cried
We used to be so happy
When we were in love
High on a mountain of love.

Night after night I've been standing here alone Weeping my heart out to cold gray dawn Praying that you're lonely and you'll come here too Hoping just by chance that I get a glimpse of you Trying hard to find you Somewhere I love High on a mountain of love.

A mountain of love
A mountain of love
You should be ashamed
We used to be a mountain of love
But you just changed your name

Way down below there's a half a million people Somewhere there's a church with a big tall steeple Inside a church there's an altar filled with flowers Wedding bells are ringing and they should have been ours That's why I'm so lonely My dreams gone above High on a mountain of love.

A mountain of love
A mountain of love
You should be ashamed
We used to be a mountain of love
But you just changed your name

Way down below there's a half a million people Somewhere there's a church with a big tall steeple Inside a church there's an altar filled with flowers Wedding bells are ringing that should have been ours That's why I'm so lonely My dreams gone above High on a mountain of love.

High on a mountain of love. High on a mountain of love. High on a mountain of love
