

## Part Time Love

Johnny Rivers

There was a time in my life  
When I thought that I would die  
If I didn't have you  
Couldn't have you along

You were a sweet song to me  
But as far as I could see  
You were more than willing  
To spread your music around

Part time love with a full time man  
They never gonna be worked out  
Full time dreams with a part time plan  
Just ain't what love's about  
Part time love just won't work out  
With a full time man

It took me too many years  
To get over all those fears  
Just to see it happen  
Let it happen again

Now you may talk a different game  
I can see you're still the same  
And I won't put up with the things  
You did back then

A part time love with a full time man  
They never gonna be worked out  
Full time dreams with a part time plan  
Just ain't what love's about  
A part time love just won't work out  
With a full time man
