

# People Get Ready

Johnny Rivers

People get ready  
There's a train a comin'  
You don't need no baggage  
You just get on board  
All you need is faith  
To hear the diesels hummin'  
You don't need no ticket  
You just thank the Lord

People get ready  
There's a train to Jordan  
Picking up passengers  
Coast to coast  
Faith is the key  
Open the doors and board 'em  
There's hope for all  
Where love is the most

There ain't no room  
For the hopeless sinner  
Turn on his brother out of his own  
Have pity on those whose  
Chances grow thinner  
There's no hiding place  
From the Kingdom's throne

People get ready  
Oh the Lord is comin'  
Meeting His brothers everywhere  
Love is the key  
To keep the flame burning  
You know in your heart  
He soon will be here

People get ready  
There's a change comin'  
You don't need no baggage  
You just get on board  
All you need is faith  
To hear the diesels hummin'  
You don't need no money  
You just love the Lord

(People get ready, there's a change a'comin)  
(Lovin' each other is... lovin' the Lord)  
(People get ready, there's a train a'comin)  
(Faith is your ticket, just get on board)  
(People get ready...)
