

# Rock Me On The Water

Johnny Rivers

Oh people, look around you  
The signs are everywhere  
You've left it for somebody other than you  
To be the one to care  
You're lost inside your houses  
There's no time to find you now  
Your walls are burning and your towers are turning  
I'm going to leave you here and try to get down to the sea some  
how

The road is filled with homeless souls  
Every woman, child and man  
Who have no idea where they will go  
But they'll help you if they can  
Now everyone must have some thought  
That's going to pull them through somehow  
Well the fires are raging hotter and hotter  
But the sisters of the sun are going to rock me on the water no  
w

Rock me on the water  
Sister will you soothe my fevered brow  
Rock me on the water  
I'll get down to the sea somehow

Oh people, look among you  
It's there your hope must lie  
There's a sea bird above you  
Gliding in one place like Jesus in the sky  
We all must do the best we can  
And then hang on to that Gospel plow  
When my life is over, I'm going to stand before the Father  
But the sisters of the sun are going to rock me on the water no  
w

Rock me on the water  
Sister will you soothe my fevered brow  
Rock me on the water, maybe I'll remember  
Maybe I'll remember how  
Rock me on the water  
The wind is with me now  
So rock me on the water  
I'll get down to the sea somehow
