Oh people, look around you
The signs are everywhere
You've left it for somebody other than you
To be the one to care
You're lost inside your houses
There's no time to find you now
Your walls are burning and your towers are turning
I'm going to leave you here and try to get down to the sea some how

The road is filled with homeless souls

Every woman, child and man

Who have no idea where they will go

But they'll help you if they can

Now everyone must have some thought

That's going to pull them through somehow

Well the fires are raging hotter and hotter

But the sisters of the sun are going to rock me on the water no

w

Rock me on the water
Sister will you soothe my fevered brow
Rock me on the water
I'll get down to the sea somehow

Oh people, look among you
It's there your hope must lie
There's a sea bird above you
Gliding in one place like Jesus in the sky
We all must do the best we can
And then hang on to that Gospel plow
When my life is over, I'm going to stand before the Father
But the sisters of the sun are going to rock me on the water no
w

Rock me on the water
Sister will you soothe my fevered brow
Rock me on the water, maybe I'll remember
Maybe I'll remember how
Rock me on the water
The wind is with me now
So rock me on the water
I'll get down to the sea somehow
