

Such a Fool for You

Johnny Rivers

I follow you every morning on your way to school
All my friends tell me that I'm just a fool
Oh, I'm such a fool
Such a fool for you

I long for you everyday, to hold you in my arms
I cry for you each lonely night, for your many charms
Oh, I'm such a fool
Such a fool for you

You don't even notice me, even when I smile at you
You don't even realize, that this heart is true
Yes I'm such a fool
Such a fool for you

Darling, I've loved you, ever since the first time I saw you
And nothing, no nothing, can change the way I feel about you
Yes, I guess I'll always be a fool
Such a fool for you

You don't even notice me, even when I smile at you
You don't even realize, that this heart is true
Oh, I'm such a fool
Such a fool for you

But maybe someday thing's will change and I won't be so blue
But 'til the day you say you're mine I'll keep loving you
And I'll always be a fool
Such a fool for you
A fool for you
