What's The Difference

Johnny Rivers

Hey friend wake up. Can't you tell that you're sleepin
How far can you go with unopened eyes
treating your mind like it was something to play with
you're sleeping on a feather bed of lies.

So what's the difference if you don't wake up.
You won't know yourself when you finally do.
You look into some mirror and wonder what you're looking at.
So what's the difference if you do.

I have shared your journey from the beauty of childhood
To uniforms of flowers that you wear like Sunday skies
Til you can't hear them when the soft words are sung to you.
you're sleeping on a feather bed of lies.

So what's the difference if you don't wake up.
You won't know yourself when you finally do.
You look into some mirror and wonder what you're looking at.
So what's the difference if you do.
