

Society Makes Me Sad

Johnny Thunders

Do I feel guilty...about an imperfect life
It's time for me...to take what's mine
I don't want to...live in the present
I make myself ill, at times I'm happy
But society makes me sad
My past...involves my future
I have to manifest...my destiny

If I loose myself, I loose what's precious,
and if there's not something wrong with me...
There should be
But society makes me sad
Your society makes me sad (2 x)
If invisibility...could be achieved
Life, could be so nice, I could
walk around, be around and nobody
Nobody'd know I was around
Do I feel guilty...about an imperfect life
It's time for me...to take what's mine
I don't want to...live in the present
I make myself ill, at times I'm happy
Your society makes me sad...
