

## If You Were Mine Mary

Johnny Tillotson

If you were mine, Mary, know what I'd do  
I'd take the stars Mary and give them to you  
If you were mine, Mary, know what I'd say  
I'd say that I love Mary over again  
All through the day

So if you love me please don't pretend  
For there's a lifetime of happiness waiting round the bend  
If you were mine, Mary, know what I'd do  
I'd take my heart, Mary, and with all my love  
I'd give it to you

I'd take my heart, Mary, and with all my love  
I'd give it to you
