

## Much Beyond Compare

Johnny Tillotson

If you'd smile at me, oh oh oh  
Happy I would be, oh oh oh  
If you only knew, oh oh oh  
The love, I have, for you

Every time that you walk by  
I hold my breath and close my eyes  
You're an angel  
You're so fair

You're much beyond compare

Lips so tender  
Eyes that shine  
I'd like to make you mine  
You're the answer to my prayer

You're much beyond compare

If you'd smile at me, oh oh oh  
Happy I would be, oh oh oh  
If you only knew, oh oh oh  
The love I have for you

Every night I open pray  
That you'll come to me someday  
Do I love you  
This I swear

You're much beyond compare
