

What Am I Gonna Do

Johnny Tillotson

(Oh, what am I gonna do)

I'm so afraid of losing you
Can't sleep at night since we're through
My world would end if I lose you
Oh, what am I gonna do

In all my dreams I see your smile
Though it just last a little while
For that same smile he dreams up too
Oh, what am I gonna do

I've seen you out with him though you've not seen me
You looked into his eyes and said words you said to me
Each time he holds you close something happens to me
I wish that you were in my arms just saying you love me

Endless dreams lonely nights
Empty arms that long to hold you tight
Memories of a love untrue
Oh, what am I gonna do
Oh, what am I gonna do
