

# Georgianna

Johnny Winter

Te na na...

Georgianna, oh Georgianna  
Don't you hear me calling you  
Tell me why, why Georgianna  
Do you treat me like you do

You left me alone, Georgianna  
And you did not even say goodbye  
You left me without warning  
Well Georgianna, tell me why

Te na na...

If I had one million dollars  
And I don't imagine to  
Well I'd give one million dollars  
If that might take all of you

Georgianna, oh Georgianna  
Don't you hear me calling you  
Tell me why, why Gerogianna  
Do you treat me like you do
