

# I Smell Trouble

Johnny Winter

Lord knows I've tried  
To do what's right  
Five long years I've stayed home  
Both day and night

I gotta a long trouble  
Over yonder  
Way up there I heard a mean  
Always in trouble  
Lord they just won't let me be

People talk about me  
Both night and day  
I said, Lord please forgive them  
And go the other way

I smell a long trouble  
Way over yonder way up there a mean  
Whoooh  
Always in trouble  
Lord, they just won't let me be  
Won't let me be

But from now on  
I will not run and hide  
Gonna face trouble with a smile  
And hope it pass me by

I gotta long trouble  
Way over yonder way up there a mean  
Whoh, always in trouble  
Lord, they just won't let me be  
Ah, Lord, they won't let me be

Oh, from now on  
I will not run and hide  
Gonna face trouble with a smile  
And hope it pass me by

I gotta long trouble  
Way over yonder way up there a mean  
Whoh, always in trouble

They just won't  
They just won't  
They just won't  
They just won't let me be

Oooh, yea-a-a-a
