It's My Own Fault

Johnny Winter

It's my own fault, babe
Treat me the way you wanna do
My fault, baby
Treat me the way you wanna do

When I was loving you, woman
All the time you know I wouldn't be true

Once you told me that you love me
You changed your mind
Once you told me that you love me
You changed your mind

Gonna send you back to your mother
You are no good

You used to make an all fancy woman
Bring it all home to me
I go out every night, baby, look at me
Woman, let us be

My fault, baby
Treat me the way you wanna do
When I was loving you, woman
All the time you know I wouldn't be true

Upon my knees, grabbing my babe
But I'll try to do better, better
You know I'm a trying the best I can

My fault, baby
Oh, treat me the way you wanna do
When I was loving you, woman
All the time, I was loving

My fault, baby
Treat me the way you wanna do
My fault, baby
Treat me the way you wanna do

When I was loving you, woman
Oh yeah, oh yeah
All the time, all the time
Oh, oh, oh, oh, all the time now

You all know I
You all know I
You all know I do want you
Yeah, hey, hey now
