

Mind over Matter

Johnny Winter

Mind over matter, matter over mind
Givin' all what best I'm just a wasting my time
Matter over mind, mind over matter
Gotta get my head together, gotta pick up my hat

You know your love is good, little girl
So much as dealin' with my friends
But the problems come along with you, little woman
Though nothing drive a power man insane

Mind over matter, matter over mind
Givin' all what best I'm just a wasting my time
Matter over mind, mind over matter
Gotta get my head together, gotta pick up my hat

You know you claim I please you woman
You say you love the way I make you feel
But my pockets are gettin' warn out, baby
Just kind of love just can't be for real

Mind over matter, matter over mind
Givin' all what best I'm just a wasting my time
Matter over mind, mind over matter
Gotta get my head together, gotta pick up my hat

Mind over matter, matter over mind
Givin' all what best I'm just a wasting my time
Matter over mind, mind over matter
Gotta get my head together, gotta pick up my hat

We know you're a mean little woman
You even brag a about you understanding me in bed
Though it was a lie, you thought I was with another woman
Lord, I didn't even make the mess

Mind over matter, matter over mind
Givin' all what best I'm just a wasting my time
Matter over mind, mind over matter
Gotta get my head together, gotta pick up my hat
