Trick Bag

Johnny Winter

Twelve o' clock at night, you walk out the door You told me baby you were going to the drugstore Well in my mind I knew you were lying The drugstore closed at a quarter to nine

I say I saw you kissing Jimmy across the fence I heard you telling Jimmy I ain't got no sense The way you've been acting is such a drag You done put me in a trick-bag

When I come home, start an argument
Just to keep me from asking where my voodoo went
I peek out the front door, I hear the back door slam
Peep out of my window, somebody's taking on the lam

I say I saw you kissing Jimmy across the fence I heard you telling Jimmy I ain't got no sense The way you've been acting is such a drag You done put me in a trick-bag

Oh hey yeah
Oh hey yeah
Oh hey yeah
Oh hey yeah

We had a fight, then you got mad

Got on the telephone, called your Mom and Dad

Dad said, "She's my daughter and I'm her Pa

But you ain't nothing but a son-in-law"

I say I saw you kissing Jimmy across the fence I heard you telling Jimmy I ain't got no sense The way you've been acting is such a drag You done put me in a trick-bag

Oh hey yeah Oh hey yeah Oh hey yeah
