

Adelina

JOHNNYSWIM

Waiting, waiting out at sea,
Dreaming you're at home for me.
Armed with grace, you're braced with beauty.
Oh still holding on for me.

Darling can't you see that you're my sea and sun?
Oh, the battle rages but the war is won.
Adelina, Adelina, Adelina, oh, there's hope for us.

Waiting, waiting by the shore,
No fear, no worries of the storm.
A fire so warm and bright inside you
Say she ain't been burned before.

Darling can't you see that you're my sea and sun?
Oh, the battle rages but the war is won.
Adelina, Adelina, Adelina, oh, there's hope for us.

So just keep waiting, your hand is fading.
Yeah, I know it's raining but the sun's still shining high.
And I know it's a wager, waiting on an anchor,
But the sea won't overtake you, you won't be let down.
No, no, no, you won't be let down.
No, you won't be let down.

Darling can't you see that you're my sea and sun?
Oh, the battle rages but the war is won.
Adelina, Adelina, Adelina, oh, there's hope for us.
Adelina, oh there's hope.

Tú eres mi cielo, mar y sol
Tu fortaleza cambia al derredor
Adelina, madre mía
Adelina, mi cielo, mar y sol
