

# Don't Make Me Wait

JOHNNYSWIM

I feel it

Calendar is filling up, this  
Time of year, it always does  
I got so many things to do  
But I still haven't seen you, yeah  
And every year it goes like this  
Holidays get more intense  
But, when it comes down to it  
I just want to be near you  
Yeah, I just want to be near you

Everybody's got their list, but  
Made mine easy, be my gift  
Come on through, we'll make the joy  
We need this Christmas  
Wrap up some of your affection  
It's all I want, oh have I mentioned it  
I canceled every plan I have  
From now 'till Christmas day  
Don't make me wait

I mean it

Hallmark movies, apple pie  
Reminiscing fire side  
Anything you wanna do, I'd  
Happily oblige to  
I just want to be near you  
Just want to be near you

Everybody's got their list, but  
Made mine easy, be my gift  
Come on through, we'll make the joy  
We need this Christmas  
Wrap up some of your attention  
It's all I want, oh have I mentioned it  
I canceled every plan I have  
From now 'till Christmas day

Bring it back to the simple things  
You and me, you and me  
Sunday night, hear the angels sing for  
You and me, you and me  
Bring it back to the simple things  
Just you and me, you and me  
Sunday night, hear the angels sing for  
For you and me

Everybody's got their list, but  
Made mine easy, be my gift  
Come on through, we'll make the joy  
We need this Christmas  
Wrap up some of your attention  
It's all I want, oh have I mentioned it  
I canceled every plan I have  
From now 'till Christmas day

Don't make me wait
