First Try

JOHNNYSWIM

Before we ever wrote a song
Before you ever sang along
I knew you were only, the only one I need

Before you ever came around
Or kissed me on my mama's couch
I knew your life was meant for me

Before we swayed
Before that dance, girl
I knew you would be my one and only world

So you can give me this whole life
With you standing by my side
Cause I know I got what I need and I won't let it go no, no

Why everybody gotta learn the hard way?

I don't want no plan b (I'll get it right, get it right)
I ain't got no envy (if it keeps you by my side)
I'll get it right, I'll get it right on the first try
I don't need no second chances (I'll get it right, get it right)
I don't want no new romances (if it keeps you by my side)
I'll get it right, I'll get it right on the first try

Darlin' I know, together we'll be growing old
I will never let you go, my love is only for you

Cause it's like this whole world's
Here in this hand that I'm holding
So come hell or high water
You know we gonna walk right through

So why I gotta learn the hard way?

I don't want no plan b (I'll get it right, get it right)
Oh, I ain't got no envy, no (if it keeps you by my side)
I'll get it right, I'll get it right on the first try
I don't want no second chances (I'll get it right, get it right)
I don't need no new romances (if it keeps you by my side)
I'll get it right, get it right on the first try

I'll get it right, get it right
If it keeps you by my side
I'll get it right, get it right
On the first try

I don't want no second chances (I'll get it right, get it right)
I don't need no new romances (if it keeps you by my side)
I'll get it right, get it right on the first try
