JOHNNYSWIM

I can't wait 'til the morning comes, I know I'm alone with you
The first time we said goodbye's only been an hour or two

But I'm gonna make you want me
I'm gonna make you shine
I'm gonna make you see me
I'm gonna make you mine, oh, mine
I'm gonna make you mine, oh, mine

Mm-mm-mm-mm

Hey, who am I kidding here? In a trance, I'm fallin' asleep
I'm just hopin' insomnia keeps you up thinkin' of me

'Cause I'm gonna make you want me
I'm gonna make you shine
I'm gonna make you see me (Oh-oh-oh)
I'm gonna make you mine, oh, mine
I'm gonna make you mine, oh, mine

Ooh-ooh-ooh-ooh, ooh
Ooh-ooh-ooh-ooh-ooh-ooh, ooh

Honestly, I'm not even a little bit sorry
I only hope you're sleepin' well enough to keep on dreamin' about me, mm
