

I Keep Getting Older

JOHNNYSWIM

Waitin' for the right time
Turned into its own crime
I don't wanna get to the end
Holdin' out for life to begin

Comfort tried to con me
So charming and disarming
But I don't wanna get to the end
I don't wanna just get to the end

I keep getting older
And my dreams are getting sober too
I miss their wild ways
I'm still getting scared
By the time I'm feeling ready
It might be too late
Oh, as I keep getting older

I just wanna get it right
When to stay, when to fight
When to let go, when to hold tight
Of what I know for sure is mine

Won't get lost with what's behind me
I still wanna reach what's beyond me
I don't wanna just get to the end
I don't wanna just get to the end

I keep getting older
And my dreams are getting sober too
I miss their wild ways
I'm still getting scared
By the time I'm feeling ready
It might be too late
Oh, as I keep getting older

Oh-oh-oh-oh
Oh, as I keep getting older (Oh-oh-oh-oh)
Oh-oh-oh-oh
As I keep getting older
I keep getting older (Oh-oh-oh-oh)
Oh-oh-oh-oh
I don't wanna just get to the end (Oh-oh-oh-oh)
I don't wanna only just get to the end (Oh-oh-oh-oh)

I keep getting older
And my dreams are getting sober too
I miss their wild ways, mm
And I'm still getting scared
By the time I'm feeling ready
It might be too late
Oh, as I keep getting older
