

# Running

JOHNNYSWIM

Don't know where I'm goin' but I feel it callin' me  
Hear those pretty whispers, yeah they pull me to my feet  
So I'm runnin', poundin' pavement, eatin' streets  
Don't know where I'm goin' but I feel it callin' me  
I feel it callin' me

All the doors are closin', make a way that's straight for me  
If you were an ocean I'd keep dry through parted seas  
'Cause I'm runnin' what I'm sure is meant to be  
And all the doors are closin', make a way that's straight for me  
A way that's straight for me

Whoa, send a bloody hurricane in any given season  
I won't even lose my breath, now I got a reason  
So I'm runnin', lose some faith but keep believin'  
Send a bloody hurricane in any given season  
Oh, in any given season  
Oh, in any given season

Hey  
You're fire by night and you're cloud by day  
Dry my tears and wipe my face  
It's better when I say  
Bwana Asifiwe  
Better when I say  
Bwana Asifiwe  
Even when I'm lonely  
Bwana Asifiwe  
Even when I'm strong  
Bwana Asifiwe  
It's better when I say  
Bwana Asifiwe

Don't know where I'm goin' but I feel it callin' me  
I hear those pretty whispers, yeah they pull me to my feet  
So I'm runnin', poundin' pavement, eatin' streets  
Don't know where I'm goin' but I feel it callin' me

(Bwana Asifiwe)  
Oh, I feel it callin' me  
(Bwana Asifiwe)  
I feel it callin' me  
(Bwana Asifiwe)  
I feel it callin' me  
(Bwana Asifiwe)  
I don't know where I'm goin' but I feel it callin' me  
(Bwana Asifiwe)  
Even when I'm stronger  
Bwana Asifiwe  
Bwana Asifiwe
