

Sing It Out Loud

JOHNNYSWIM

Oh oh, oh oh, oh oh
We're all searching, searching for a sign
Ah man, we learn not to lose heart at the end of the line
Well I don't know ya, but I don't mind
May the voices of strangers rise up through the ashes, tonight
May the voices of strangers rise up through the ashes, tonight

(Oh oh)
Let it move ya (Oh oh)
Hallelujah (Oh oh)
Sing it out loud

You're one in a million
Look 'em in the eye
We're all irreplaceable parts in this feast of life
I beg your pardon
Excuse me please
Screw Armageddon, the dance floor stays open for me
Screw Armageddon, the dance floor stays open for me

(Oh oh)
Let it move ya
(Oh oh)
This hallelujah
(Oh oh)
Sing it out loud
Sing it out loud
(Oh oh)
Let it move ya
(Oh oh)
This hallelujah
(Oh oh)
Sing it out loud
Sing it out loud, tonight

Won't you be my melody
Won't you be my melody
Won't you be my melody, tonight

Won't you be my melody
Won't you be my melody
Won't you be my melody, tonight

Won't you be my melody
Won't you be my melody
Won't you be my melody, tonight

(Oh oh)
Let it move ya
(Oh oh)
This hallelujah
(Oh oh)
Sing it out loud
Sing it out loud
(Oh oh)
Oh let it move ya
(Oh oh)

Oh this hallelujah
(Oh oh)
Sing it out loud
Sing it out loud, tonight
