

Take A Number

JOHNNYSWIM

Uh oh, you're mad at me again
It's almost like we're elementary friends
Fightin' on the playground, oh, I'm carin' less in this
The more you say, the more I find I'm less and less impressed

So let's move on (On)
'Cause I don't mind saying goodbye
Oh, let's move on (On)
'Cause you're not the only one who wants me

Baby, take a number
Oh baby, take a number
And if you ever wonder, you ain't the only one that's on my mind
Take a number
Oh, 'cause you're not the only one (Ooh-ooh-ooh-ooh-ooh)
You're not the only one

Siempre tienes que ser invitado
¿Siempre soy yo el malo, tú el traicionado?
Maldecido soy yo por no verte
Y solamente por conocerte
Siempre tengo que ser el perdonado

But let's move on
I don't mind sayin' goodbye
You're not the only one who wants me

Baby, take a number
Baby, take a number
If you ever wonder, you ain't the only one that's on my mind
Take a number
Oh, you're not the only one (Ooh-ooh-ooh-ooh-ooh)

You only hear excuses in my reasons
Then keep all of the reason for yourself
And I don't like that
Won't play these games that you are playin'
I ain't got time for it, I'll keep more for myself

But baby, take a number
You're not the only one
Oh baby, take a number, yeah
You ain't the only one that's on my mind
And if you ever wonder, you ain't the only one that's on my mind
Take a number
No, you're not the only one
