

# Take The World

JOHNNYSWIM

We don't need calligraphy  
To write a fancy story  
Kings and Queens return to thieves  
To find what we've been holding  
You and Me  
We can take the world.

Oh sweethearts give sweet compliments  
But our love goes without saying  
Though you make it hard not to spill my heart  
Every time I see you swaying  
Darling You and Me  
We can take the world. Darling...

Cause they can write stories  
They can sing songs  
But they don't make fairy tales  
Sweeter than ours  
They can climb mountains  
High into the sky  
But they can't take the world  
Oh...Like we can take the world

Oh I can see  
The future you and me we last forever  
In the rising tide  
No fear or fight  
That we can't face together  
Darling You and Me  
We can take the world

Cause they can write stories  
And they can sing songs  
But they don't make fairy tales  
Sweeter than ours  
And they can climb mountains  
High into the sky  
But they can't take the world  
Oh...Like we can take the world, the world, the world.

Oh...

Ain't it just like love to find us  
Ain't it just like love  
Ain't it just like love to find us  
Ain't it just like love  
Ain't it just like love to find us  
Ain't it just like love

Cause they can write stories  
They can sing songs  
They don't make fairy tales  
Sweeter than ours  
Oh they can climb mountains  
High into the sky  
But they can't take the world  
Oh no, no...Like we can take the world.
