

# 'Til We Get Back Again

JOHNNYSWIM

Arms to carry, arms to save  
Even though, right now, these hands cannot hold  
Stackin' minutes, mounting days  
Even though my thoughts can't climb like they ought to  
Climb like they ought to

When doors open  
Whoa, you see me runnin'  
Like a cannon  
Full-on heart explosion

Till we get back again  
Till we get back again  
Till we get back again  
We won't waste it  
Till we get back again  
Till we get back again  
Till we get back again  
We won't waste it  
We won't waste it

What if back then we had known  
That the dollars on our time will be growin'?  
How much more will we have shown  
Love and just how much tighter we're holdin'?

When doors open  
Whoa, you see me runnin'  
Like a cannon  
Full-on heart explosion

Till we get back again  
Till we get back again  
Till we get back again  
We won't waste it  
Till we get back again  
Till we get back again  
Till we get back again  
We won't waste it  
We won't waste it

Ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh

Maybe next time I won't take you  
Maybe next time I won't take you for granted  
Maybe, baby  
Maybe, baby, I won't take you  
Maybe, baby, I won't take you for granted  
Maybe, baby

When doors open  
I'll be runnin'

Till we get back again  
Till we get back again  
Till we get back again

We won't waste it  
Till we get back again  
Till we get back again  
Till we get back again  
We won't waste it  
We won't waste it

Till we get back again  
Till we get back again  
Till we get back again  
We won't waste it  
We won't waste it
