

# Wait

JOHNNYSWIM

It's been a little longer than I hoped  
Oh, this hotel, sure don't feel like home  
I left my heart in Georgia, I'm stuck in San Antone  
Will this last forever, darlin', we don't know

There's nothin' sure but you  
And that makes it harder  
All that we can do

Is wait  
Is wait

I'm runnin' out of boxes  
And runnin' out of hope  
I'm tearin' up these wishes  
Might take it to the coast  
And when I get to hold you I might not let go  
Has it been days or weeks or years? Nobody knows

Picture in the frame  
Says, "Forever and always"  
So I planned my change

But we'll wait  
Yeah, mmh  
We'll wait

Oh, this desert's got me thinking  
If it's only you I'm drinking  
I'll be just fine  
We make water somethin' better  
Make a stone into forever  
We'll be just fine

Oh, this desert's got me thinking  
If it's only you I'm drinking  
I'll be just fine  
We make water somethin' better  
Turn a stone into forever  
We'll be just fine

There's nothin' sure but you  
And it makes it harder  
All that we can do

Is wait  
Is wait  
Is wait  
Is wait  
Is wait  
(I don't know how to end it)

Oh, this desert's got me thinking  
If it's only you I'm drinking  
I'll be just fine  
We make water somethin' better  
Turn a stone into forever

We'll be just fine

Oh, this desert's got me thinking  
If it's only you I'm drinking  
I'll be just fine  
We make water somethin' better  
Turn a stone into forever  
We'll be just fine
