

Hey Kiddo

Johnossi

Hey kiddo, ain't no lies, ain't no propaganda
Hey kiddo, get in line, follow the agenda

You wanna rip that whip in a tight leather jacket
And when the sun goes down you all begin to wreck it
But then the man comes running in to crash the party
We don't like what you do, it's not approved

Gimme gimme everything
Every dream you ever planted
We're moving on
The kids are taking over ain't nothing you can do about it

Hey kiddo, do you dance, smoking marihuana
Hey kiddo, what's the plan, cause a little drama

You wanna rip that whip in a tight leather jacket
And when the sun goes down you all begin to wreck it
But then the man comes running in to crash the party
Way to go son, yeah way to go

Gimme gimme everything
Every dream you ever planted
We're moving on
The kids are taking over ain't nothing you can do about it
Gimme gimme possibilities
Liberty, that's all I've wanted
We're moving on
The kids are taking over ain't nothing you can do about it

Ain't nothing you can do about it
Nothing you can do about it
Ain't nothing you can do about it

Gimme gimme everything
Every dream you ever planted
We're moving on
The kids are taking over ain't nothing you can do about it

Hey kiddo
Hey kiddo
