

Yeah Yeah

Johnossi

I cannot decide if I'm getting enough for life
Can't I be right?
Am I livin' for something else?
Well, someone might have everything I don't know
Now there is a time to be dead like an NSO

[Pre-Chorus]

I can tell a lie if the feelin' is right
We can let it slip but I wait till the bad through life
Well, let it flow like the feelin' inside
Think I'm gonna try

[Chorus]

Yeah, I'm ready to go, go, go
(Oh, oh)
Yeah, yeah
Yeah, yeah
I'm ready, wanna go, go, go
(Oh, oh)
Yeah, yeah
Yeah, yeah
Yeah, yeah

Somethin' isn't right, I am tumblin'
I can't hear a word, are you mumblin'?
Who's that in the hall?
Are you wonderin'?
Catch me when I fall, I am tumblin'

I can tell a lie if the feelin' is right
We can let it slip but I wait till the bad through life
Well, let it flow like the feelin' inside
Now is the time
I'm ready to go, go, go

(Oh, oh)
Yeah, yeah
Yeah, yeah
I'm ready, wanna go, go, go
(Oh, oh)
Yeah, yeah
Yeah, yeah
Yeah, yeah

I cannot decide if I'm gettin' enough for life
Cannot be right, am I livin' for something else?
What's on my mind?
Everything I don't know
Now there is a time to be dead like an NSO

I can tell a lie if the feelin' is right
We can let it slip but I wait till the bad through life
Well, let it flow like the feelin' inside
Now's the time

I'm ready to go, go, go
(Oh, oh)

Yeah, yeah
Yeah, yeah
I'm ready, wanna go, go, go
(Oh, oh)
Yeah, yeah
Yeah, yeah
Yeah, yeah
