

## Frere Jacques

Joi Cardwell

Frere Jacques  
Frere Jacques  
Dormez-vous  
Dormez-vous

Summer Days they come to me  
As vivid as the sun  
I see your face as we embrace  
In the comfort of our arms  
Hold me closer Say my name  
Whisper things to me  
That others call insane  
(Where are you)

Frere Jacques  
Frere Jacques  
Dormez-vous  
Dormez-vous  
Frere Jacques  
Frere Jacques  
Ding dong ding

Slowly I think  
Trying to catch my mind  
Remembering all you see  
Of what my life is like

Wanting so much more  
Of what you bring to me  
Hoping it's all a dream  
You're not here tonight  
(Where are you)  
Frere jacques.
