

## Attention

Joji

Girl, would it kill you just to throw a little bit of attention  
?

If I hurt you, I'm afraid God's gonna teach me a lesson

Now would you hate me if I said goodbye  
So quick you could eat my dust?  
Now would you hate me if I ran like hell  
In the wind from dawn til' dusk?

When you cry, you waste your time  
Over boys you never liked  
Can you not be so obvious  
So keep it light  
So keep it light, no

I thought I'd vocalize my troubles, but nobody will listen  
I know I'm cryptic and I'm weird, that shit comes off as indifferent  
I don't wanna die so young  
Got so much to do  
I don't smile for the camera  
Only smile for you  
Smile for you

Now would you hate me if I said goodbye  
So quick you could eat my dust?  
Now would you hate me if I ran like hell  
In the wind from dawn til' dusk?

When you cry, you waste your time  
Over boys you never liked  
Can you not?
