

Cyber Police

Joji

This is the worst video I've ever seen
I don't know, I like it

You just got a visit from the cyber police
I'mma put a stop to trolls and all
The cyber police
You're hurting people's feelings and it's not what I'm about
I just wanna put a baby dick up in my mouth

Suck a baby dick
I wanna suck a baby dick
Suck a baby dick
I wanna suck a baby dick
Suck a baby dick
I wanna suck a baby dick
Then I'mma eat some baby back ribs at the Chili's, bitch

Then I'mma eat some baby back ribs at the Chili's, bitch

Then I'mma eat some baby back ribs at the Chili's, bitch

Suck a baby dick
I wanna suck a baby dick
Suck a baby dick
I wanna suck a baby dick
Suck a baby dick
I wanna suck a baby dick
Then I'mma eat some baby back ribs at the Chili's, bitch

Then I'mma eat some baby back ribs at the Chili's, bitch

Then I'mma eat some baby back ribs at the Chili's, bitch
