

Demons

Joji

(Yuh, got 'em
Sex, running
Fuck, got 'em
Look, spotted)

(Yuh, got 'em
Sex, running
Fuck, got 'em
Look, spotted)

They're taking my heart, now
They're taking my heart, now
And I don't know why
And I don't know why

Alright, alright, alright, alright
Alright, alright, alright (ay, ay, ay)
The demons told me everything
They whisper in the night (ay, ay, ay)

This is not a threat, I promise (nope)
I promise
This is not a threat, I promise
It's a warning, baby, I just want you to know

That's when the ceiling caved in
And I've fallen in a trench, I'm behaving
I'm behaving myself
I'm behaving myself

We don't gotta die so soon
So I just behave for you, for you, for you
We don't gotta die so soon
So I just behave for- (shh, quiet)

This is not a threat, I promise (nope)
I promise
This is not a threat, I promise
It's a warning, baby, I just want you to know

Please, just let me go
Let me go, I've seen enough
I've seen enough
I've seen enough
