

# Head In The Clouds

Joji

Out of reach  
Out of time  
Maybe I'm too high  
Out of mind  
Out of line  
Almost lost my sight

I don't know why I do this  
I feel like I might lose you  
Out of drugs, out of love  
So let's compromise

The floor is raising, the sky is falling  
The tides are turning, my eyes are burning

Head in the clouds  
And I'm not coming down  
I used to swim now I'm ready to sink  
I wanna give you what I can not do

Hate our haze  
Different days  
Maybe I'm too nice  
In a maze, in a daze  
How to read your signs  
I knew that I was foolish  
I was young and I was stupid  
Never change, never take  
There's no compromise

The floor is raising, the sky is falling  
The tides are turning, my eyes are burning

Head in the clouds  
And I'm not coming down  
I used to swim now I'm ready to sink  
I wanna give you what I can not do
