

NITROUS

Joji

Ooh, out of sight, girl I'm out of sight
Down the other side, I don't want no stripes
Got my insides look like motorcycles
Girl don't notice it, I don't notice it
And the love make me wanna sing, sing
And the high make me wanna sing, sing
And the pain make me wanna blink, blink
But I'm in a Rover, I won't feel a thing

Ring, ring, ring, ring, ring, ring, ring, ring, ring, ring

Guess I've been awake, thinking 'bout our fate
Fighting two devils, blood in my toothpaste
Speedin' through the night (Ooh, ooh, ooh)
Thought it would be nice (Ooh, ooh, ooh)
You just make me nervous, you are cold as ice (You're cold)
I was in your town, drivin' eighty miles
Do not even notice, do not even frown
And how could I deserve this, I'm never slowin' down
(Never slowin' down)
You love me at the surface, love me like it's now
(Love me, love me, love me, love me)

Ooh, out of sight, girl I'm out of sight
Down the other side, I don't want no stripes
Got my insides look like motorcycles
Girl don't notice it, I don't notice it
And the love make me wanna sing, sing
And the high make me wanna sing, sing
And the pain make me wanna blink, blink
But I'm in a Rover, I won't feel a thing
