

Peach Jam

Joji

(Hey-ya)
As fresh as the breeze and the dew in the morning (Hey-ya)
Never felt a drought where you fill my cup (Hey-ya)
You blessed me so damn good, I barely could stay up (Hey-ya a-ah)

Take you on a picnic then for a ride
Ride it all, ride it alright
Hold the door open, baby, let me come inside
Spoon full of love in your peach jam
My favorite pick me up, no plans
I'd rather stay in with you, hot damn
So tasty on my tongue, peach jam (yeah, huh)
I'm the only one you spread em' for

I could show you how a nigga live in the wild (huh)
Now I got you wet like the Nile, River (River)
I'm a sauce dripper (dripper)
East side Crippin' with my dogs like Clifford (Clifford)
Got me openin' my heart like a blizzard (blizzard)
Lookin' at my calls, that's your bitch, I done hit her (huh)
So you better not kiss her (that's on my momma)
