

# Pills

Joji

Please don't run away  
Please don't run away

Please don't run away  
Please don't run away

Where'd you go?  
I thought we'd last forever  
Where'd I go?  
I was sinking through the leather  
I need you back  
I need you back (yeah, yeah, yeah)  
I need you, bad  
I need you back

So I'll fly away  
Zoloft, Xanax  
Zoloft, Xanax

Please don't run away  
Please don't run away  
(Fly, I'll fly away, away, away)  
Please don't run away  
Please don't run away  
(Please don't run away)

I don't know why  
I don't know why I feel this way  
I feel the same  
I don't know why  
I don't know why I feel the same

I need you back  
I need you back  
I need you bad  
I need you back (yeah, yeah, yeah)  
Where'd you go?  
I thought we'd last forever (last forever)  
Where'd I go?  
I was sinking through the leather
