

## Pretty Boy

Joji

I'm a, I'm a, I'm a-I'm a-I'm a-I'm a (One, two, three, four)  
I'm a pretty boy livin' on the West side  
Livin' so loud, you could never hear me cry  
At night  
See no tears run down my eyes (Run down my eyes)  
Oh, these hills they burn so bright (They burn so bright)  
Oh, these hills they bring me life (Bring me life)  
Oh, these hills, baby, oh, these hills, baby, mmm (I'm a-I'm a-I'm a-I'm a-I'm a)

I'm a pretty boy livin' on the West side  
Poppin' blue pills and sippin' on finest wine (Brrt)  
No more fears and no more lies  
I tell myself to sleep at night (Sleep at night)  
Amongst these hills, baby (Oh, these hills, baby)  
Amongst these hills, baby (I'm a-I'm a-I'm a-I'm a-I'm a)

Ayy, ayy, ayy, ayy  
Ayy, ayy, ayy, ayy  
Ayy, ayy, ayy, ayy  
Ayy, ayy, ayy, ayy  
Ayy, ayy, ayy, ayy  
Ayy, ayy, ayy, ayy  
Ayy, ayy, ayy, ayy  
Ayy, ayy, ayy, ayy

Handsome young man, never pull up on time  
Lookin' in the mirror, lookin' good should be a crime, crime  
All this pain I'll never let show (Oh)  
My real thoughts, you'll never know  
Never know (Know, know), know  
Never know, know (Know, know, know)  
Handsome young man, never worried 'bout time (Yeah)  
Flexin' on the 'net (No, no)  
It's the same offline (Offline), offline (Offline)  
If I don't lead, where will they go?  
They follow my every move (Every move)  
Every move, every move (Every move), every move

I'm a, I'm a, I'm a-I'm a-I'm a-I'm a (God damnit, nice shot)  
I'm a pretty boy livin' on the West side  
Livin' so loud, you could never hear me cry  
At night  
See no tears run down my eyes (Run down my eyes)  
Oh, these hills they burn so bright (They burn so bright)  
Oh, these hills they bring me life (Bring me life)  
Oh, these hills, baby, oh, these hills, baby, mmm (I'm a-I'm a-I'm a-I'm a-I'm a)
